Clinical

Registration

Psychologist (General Registration)

Reg: PSY0002170682

Valid: 30 Nov 2022

Experience

Dec 2021 – current

Traumatic Stress Clinic

Clinical Psychology Registrar

The University of New South Wales

- Deliver manualised treatment to address symptoms of post-traumatic stress disorder (PTSD) and comorbid mood disorders under the supervision of renowned expert, Scientia Professor Richard Bryant
- This has included treatment of severe PTSD in first-responders (e.g., police, firefighters and paramedics), as well as civilian populations.
- Administer standardised clinical assessments, including the Clinician-Administered PTSD Scale for DSM-5 (CAPS-5) and the Structured Clinical Interview for DSM-5 (SCID-5).
- Contribute to activities associated with clinical trials, including participant recruitment and consenting, as well as data collection and management procedures.

Jan 2021 – Jun 2021

Rivendell Child, Adolescent and Family Mental Health Unit

Provisional Psychologist

South Western Sydney LHD

- Work within this multidisciplinary tertiary referral service to diagnose and provide high-quality treatment to children and adolescents with a range of psychological difficulties, including social and generalised anxiety disorders, externalising behaviours, and autism.
- Conduct assessment interviews to explore relevant clinical symptomatology and support diagnosis of psychological disorders, including mood and obsessive-compulsive disorders.
- Develop and maintain case formulations to support targeted treatment based on the needs of individual patients, with particular focus on the role of family systems
- Provide individual and group therapy, primarily based on Cognitive Behavioural Therapy, Dialectical Behavioural Therapy, and Acceptance and Commitment Therapy.

Jul 2020 – Dec 2020

Clinical Research Unit for Anxiety and Depression

Provisional Psychologist

St Vincent's Hospital (Sydney)

- Support the work of this tertiary referral service by providing high-quality treatment to people experiencing generalised and social anxiety, obsessive-compulsive and related disorders.
- Develop and maintain case formulations to support targeted treatment based on the needs of individual patients.
- Provide individual treatment, primarily based on Cognitive Behavioural Therapy, and Acceptance and Commitment Therapy.

May 2019 – Jul 2020

UNSW Psychology Clinic

Provisional Psychologist

The University of New South Wales

- Conduct assessment interviews to explore relevant clinical symptomatology and support diagnosis of psychological disorders.
- Deliver psychological therapy to children, families, and adults with a range of presentations, including major depressive, generalised anxiety and social anxiety disorders.

- Develop and maintain detailed case formulations to support targeted treatment based on the needs of individual clients.
- Primary psychotherapeutic modalities included Cognitive Behavioural Therapy, Dialectical Behavioural Therapy, Acceptance and Commitment Therapy and Schema Therapy.
- Administer and report on comprehensive neuropsychological assessments to support differential diagnoses, based on a wide range of psychometric instruments.
